Sn. M.G. Hanumatekar has represented that in view of her experience from the past 19 years and her high ~~qualifying~~ qualification in Midwifery and Gynaecology, she may be placed on a grade of Rs 750-50-1000. The Senior Surgeon, as in charge Chief M.O. Womens Hospital has simply forwarded the representation without any specific recommendations on the request.

to the collection CB192-43-1, 2. relating to Mr. Hanumantekar, as M.O. Belluvamba Hospital requested in March 43 that she may be granted a duty Allowance of Rs. 100/- p.m and her request was not sanctioned in the circumstances ~~in the circumstances~~ explained in the notes of the collection CB192-43-1-2. Even then the recommendation of the Senior Surgeon cannot perhaps be considered unless the following points are made ~~the~~ clear by him,

3) 1) whether the work in the hospital has increased since last four or five years, if so how has it increased from year to year. (Statistical details will have to be given)

4) 6) how does the work in Belluvamba ~~Hospital~~ compare with that in the Vani Vilas Hospital Bangalore and other big hospitals for women

a Sister institution has been placed in the grade of Rs 750-50-1000. She is perhaps referring to the case of Lt. Col. Nagendram, who was given the grade of Rs 750-50-1000. The circumstances leading to this are that Lt. col. Nagendram has very high foreign qualifications & training, that he is in charge of the K. R. Hospital, one of the premier Medical Institutions in the State, & that he has also rendered meritorious service in the recent war, during which period he was in receipt of much higher emoluments in the Military Service. Smt. Hanumantekar is an M. B. B. S., and M. D. (Bombay) and so she has no foreign qualifications to her credit. The Chalavamba Hospital Mysore is not so big an Institution as the Victoria Hospital, K. R. Hospital and Vani Vilas Hospital. as revealed by the figures collected from the Administration Report of the Medical Deptt for 1946.

K"

Name of Institution	No. of Beds	No. of In-patients
(1) Vani Vilas Hospital	380,	12,440
(2) Victoria Hospital	352,	11,567
(3) K. R. Hospital	312,	7253
(4) Chalavamba Hospital	130,	6173

The above figures go to show that the

work in the Chamrajpet Hospital is not so heavy as in the other three major Hospitals.

10) The case of Sm. Hanumanthekar does not compare favourably with that of the Medical officer Krishnaraj under Hospital Recently Sri Ramalinga Reddy, the present Medical officer, K. R. Hospital submitted a representation for the grant of the grade pay of Rs 750 - 50 - 1000 just as in the case of Lt. Col. Nagendran. But this request was ordered to lie over for the present. Similarly the representation of Sm. Hanumanthekar may be treated. This is for orders.

Re: (2)

11) A duty allowance of Rs 1000 p.m. is attached to the posts of Medical officers of the Victoria and K. R. Hospitals and to the Medical officers of other hospitals such as Vani Vilas Hospital, & Mental Hospital and which are also major institutions are not in receipt of any allowance. If any concession is shown in this respect to the Medical officer Chamrajpet Hospital, it will create an inconvenient precedent and others will represent for the grant of the same. In the above circumstances this request of

Honoured Sir,

I pray for your kind permission to submit my prayer that you may be graciously pleased to place me in the grade 750-50-1000/. I beg of you to permit me to bring the following facts for your kind consideration.

I have served in the State for 19½ years. I was appointed in February 1929 on Rs. 300/- a month on a temporary basis. I hoped at that time, that I would in the usual course reach a salary of Rs. 700/- within a few years of service. But the grades were revised and I was taken into the permanent cadre on Rs. 200/- a month I had all along to continue as an Assistant Surgeon and got the Surgeon's grade in December 1942. After a service of over 19 years, I have now been drawing a pay of Rs.550/. I have hardly 6 years of service before me and if I am to continue in the same grade as I am now placed, I won't even reach the maximum in the present grade.

I realised however that I had only a Bachalor's degree and consequently, I felt that, in spite of my long, efficient and faithful service, I was not in a position to press my claims for getting higher grade. I also realised that the absence of a higher degree placed ~~one~~ me under great handicaps in service. Therefore in 1945, when the War was ~~appearing~~ still on, I decided to take the great risk at the advanced age of 46 of appearing for the M.D. Degree Examination of the University of Bombay. After a very hard work extending over a period of over two years and after a very careful study of the great volume of the modern literature on the subject and after acquainting myself

myself with the recent methods of work in the various hospitals at Bombay, I passed the Examination in June 1947. I submit a special prayer that I may not be misunderstood if I bring to your kind notice that I am the only person in the entire medical service who has obtained the M.D. Degree in Midwifery & Gynaecology. I may be permitted to point out that some Medical Officers in the Men's section of the service have been given the grade I ask for. The Medical Officer of the Sri. Krishnarajendra Hospital, a sister institution has also been placed in the grade 750 - 50 - 1000/-

I pray, Sir, that you may be graciously pleased to consider my long and faithful service and the experience and equipment I have got and place me in the grade 750 - 50 - 1000/-

I have the honour to be remain,

Sir,

Your most obedient servant,

OFFICE OF

THE CHIEF MEDICAL OFFICER,

WOMEN'S HOSPITALS IN MYSORE, BANGALORE

No. C 6481-1

Encls.

Date 1-10-48.

To

The Secretary to the Government of

His Highness the Maharaja of Mysore,

Education Department, Bangalore.

Sir,

I have the honour to state that the Medical Officers of the marginally noted major institutions have been granted a duty allowance of Rs.100/- p.m. The Medical Officer of the Cheluvamba Hospital, Mysore, has submitted a representation (copy enclosed) for the grant of the same allowance to her also as in the case of Medical Officers referred to in the margin.

1. Medical Officer, Krishnarajendra Hospital, Mysore.
2. The Superintendent, Minto Ophthalmic Hospital, Bangalore.
3. Medical Officer, Princess Krishnajammanni Sanatorium, Mysore.
4. The Superintendent, Mental Hospital, Bangalore.

Cheluvamba Hospital is a major institution and the Medical Officer of this institution also holds equal responsibility as that of the Medical Officers referred to. Such being the case, it is a pity as to why the question of granting a duty allowance to her was not taken up earlier.

Considering the heavy responsibility of the Medical Officer of the Cheluvamba Hospital, Mysore, which is a major institution, I recommend that she may be granted a duty allowance of Rs.100/- p.m. to be on par with the Medical Officers of the institutions cited above.

Yours faithfully,

Chief Medical Officer, I/C.

TLM.

Letter No.3 dated 2-7-48 from the Medical Officer, Cheluvamba Hospital, Mysore, to the Chief Medical Officer Women's Hospitals in Mysore, Bangalore.

I have already submitted a report for my having taken charge of the Cheluvamba Hospital and now request you to be pleased obtain the sanction of Government for the grant to me of a Duty allowance of Rs.100/- a month. I need hardly make any submission about the responsibilities of a Medical Officer of a big institution. I may however bring to your kind notice that the Medical Officer of the sister institution Sri Krishnarajendra Hospital has been drawing a duty allowance of Rs.100/- and that my pay too is comparatively very much less. I pray that I may be granted a duty allowance.
